

CDL 212 SERIES Liquid Dispenser

CDL Series liquid dispensers are cost-effective refrigerated liquid dispenser systems capable of dispensing up to two different bag-in-box products.

Features:

- Simple product dispensing for various liquid products including milk, cream, cold coffee, juices and many more!
- Manual, lever operated dispensing system ensures maximum 'up-time' with no microprocessor issues
- Holds two 9.5 Litre/2.5 Gallon bag-in-box products for refrigerated dispensing
- Best value on the market delivering the fastest return on investment and maximum profitability
- Simple to install and easy to use - remove from carton and power the unit up ...that's all there is to it!
